FOREWORD

The Toledo Museum of Art has achieved international acclaim with its fine facilities, its splendid permanent collection, and its dedicated professional staff. By the activity of the Museum we have been fortunate to have the great art of the world brought to us. In recent years the Museum has attracted magnificent exhibitions that were shown in no other cities.

In a museum of such stature, the art that flourishes in the area has not been neglected. The Museum continually is a prime source of stimulation to our area artists. This Toledo Area Artists' 49th Annual Exhibition attests to that fact.

The Toledo Federation of Art Societies, Inc. is justifiably proud of the relations we enjoy through our association with the Museum in administering this major annual event. Here on exhibition are the collective recent efforts of individual area artists and artist-craftsmen. Their works have been selected for this 49th May Show by a three-man panel of nationally esteemed and prominent jurymen.

The Federation gratefully acknowledges the generous support received from concerns and individuals that makes these exhibitions possible.

A great many of the works on exhibit are for sale. This is an opportunity to acquire area art to either add to or to start a collection.

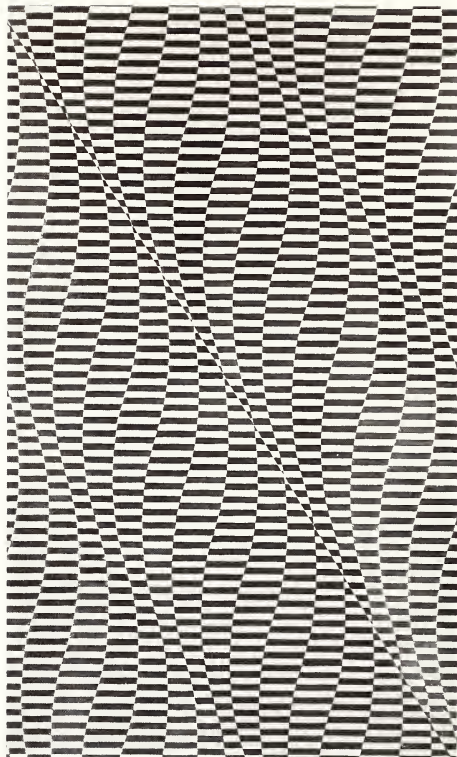

Through the years as each exhibition comes and draws to a close, officers and delegates of the Federation look forward to the next. This spring it is more so, for 1968 will be our 50th Anniversary!
